

Salli Sway

The swing mechanism enables the seat to be tilted into every direction without a separate adjustment lever.

This enables you to exercise while sitting, which adds to the mobility and metabolism of the lower back and activates the whole body.

- Two-part active seat
- Leather or artificial leather, see colour chart
- Hand controlled height adjustment with gas spring
- Gas spring metallic or black
- Maximum load 120 kg
- Weight 11 kg
- Finnish design
- Warranty 5 years
